

Kriss-Kross Telecoms: Components of a communications system

Fit all the words listed in to the grid.

If there is only 1 word of any length there's only 1 place it can go.

Look for clues in the letters you have filled in.

3 letters	4 letters	5 letters	8 letters	9 letters	10 letters
sim	cell	hello	wireless	telephone	fibreoptic
	code	wires	internet	Morse Code	

Ignore any spaces

Which of these words is essential for your mobile device to operate?

Answer: The Subscriber Identifier Module (SIM) holds important passwords and keys (secret numbers) so that your network service provider can allow you to access the network and charge you correctly!
